PuraPC Product Line Compliance with the RoHS Directive

I hereby certify that Filtalert Corporation is in compliance with Directive 2002/95/EC of the European Union on the use of certain hazardous substances in electrical and electronic equipment since the original date of manufacture in December 2004 for all products being supplied by Filtalert Corporation on a full RoHS-6 compliance level and that the information is true and accurate. The PuraPC product line does not contain any of the six RoHS banned chemicals, compounds or elements listed, in levels exceeding the industry-defined limits stated within the directive.

Lead (Pb)
Mercury (HG)
Cadmium (Cd)
Hexavalent Chromium (CrVI)
Polybrominated Biphenyls (PBB)
Polybrominated Diphenyl Ethers (PBDE)

All PuraPC products – the PuraPC kit, Filter Material, 80mm Filters, 92 mm Filters and CDRom – are RoHS Compliant with the EU Directives for banned substances.

Thank you,

Troy White,
President,
Filtalert Corporation
